Re: DG 08-107, Concord Steam Corporation  
Petition for Approval of Transfer of Utility Assets, Upgrades and Steam Purchase Agreement  
Revised Schedule

To the Parties:

On December 22, 2008, Staff filed a request in the above referenced proceeding to revise the procedural schedule such that the deadlines for filing Staff testimony and data requests to Staff be extended to December 31, 2008 and January 9, 2009 respectively due to the extreme weather conditions. According to Staff, the remainder of the schedule would remain unchanged.

The Commission has determined that the request is reasonable and extending the deadline to file testimony and subsequent data requests will not unduly delay the proceeding or adversely affect the rights of any party. Accordingly, the request is granted.

Sincerely,

Debra A. Howland  
Executive Director
